PORTS TORONTO

2020 Highlights

- 2 Curfew Violations. One in February, the other in September
  - One fine levied by Ports Toronto
- Process of Ferry Electrification started (slated for completion Fall 2021)
- CitySide Modernization completed during suspension of commercial service
  - Should mean less traffic/noise impacts once the airport resumes full operations

Complaint Turnaround Time Metric

- A commitment was made by BBTCA management to respond to noise complaints within 5 working days.
- Tracking commenced in the later part of 2011.
- In the year 2020, this goal has been achieved with a success rate of 98.5 %.
