

LEAD CHANGE AND MAKE AN IMPACT IN CANADA'S BIGGEST CITY

The Toronto Port Authority, doing business as PortsToronto, operates the Billy Bishop Toronto City Airport, the Port of Toronto and the Outer Harbour Marina. We are proud to be partners in securing Toronto's economic prosperity and enhancing its beautiful waterfront for all to enjoy.

PortsToronto has the following permanent, full-time opportunity awaiting you:

WELDER

The Welder is responsible for performing welding and metal fabrication tasks to support the maintenance and repair of equipment, machinery and facilities. The Welder is required to perform structural, mechanical and lubrication maintenance, preventative maintenance, inspections, repairs and installation on various infrastructure, fleet and machinery.

This role ensures that all work is completed safely, efficiently, and in compliance with industry standards and company policies. The Welder will work as a collaborative member of the Works and Environmental Services Department, contributing to a supportive and innovative work environment.

Note: *This is a Union represented position belonging to CUPE Local 416*

RESPONSIBILITIES:

General activities and functions include, but are not limited to:

- Welding and fabricating all steels, metals, and alloys to acceptable standards
- Welding repairs and winter maintenance repairs to all Works Yard equipment
- Structural welding and repair to ferry ramps, bridges, truck loading docks, and dock walls
- Structural welding and repairs to Marina docks and equipment
- Repairs to marine vessels in dry dock, to Transport Canada Ship Safety Standards
- Assisting in mechanical/hydraulic repairs to all Works equipment such as marine vessels, tugs, scows, boats, derrick, bulldozer, mobile cranes, shear-leg crane, motor vehicles, etc.
- Assisting in mechanical/hydraulic repairs to BBTCA ferries

- Measuring shafts, bushings, bearings, fittings; ascertaining wear and tear procedures
- Service repairs to BBTCA ferries, ferry ramps, cables, winches and equipment
- Keeps Sub-Foreperson – Works Maintenance informed of progress of assigned work
- Prepares equipment and material requirements and submits to Sub-Foreperson – Works Maintenance
- Assist in service and repairs to HVAC systems
- Must adhere to all PortsToronto policies and procedures
- Must comply with all Safety and Health policies, procedures, and legislated requirements and must wear designated safety equipment
- Other duties as assigned by PortsToronto
